ATTN: HPV Challenge Program

RE: Biphenyl

Dear Administrator Leavitt:

The Biphenyl Work Group (BWG) is pleased to present its HPV Challenge Program submission to the agency. Attached is the robust summary and the test plan. For biphenyl

The Biphenyl Work Group maintains that all data points have been addressed and no additional testing is required to satisfy the HPV Challenge Program requirements

If you have any questions , please do not hesitate to contact me.

Very truly yours,

John F. (Jack) Murray, CAE
Executive Director
Biphenyl Work Group
